RECRUITMENT EFFICIENCY & SIMPLICITY

PROFESSIONAL RECRUITMENT SIMPLIFIED

- **Lucky Consultancy employs a process of hiring that is pleasantly simple and efficient.**
- **It begins with a requirement and ends with deployment to the country of employment**
- **Over the years, with the experience we have gained, we have established a system that simplifies the logistics involved in the hiring process.**
- **The key to this system's success is working closely and transparently with our clients which ensures that every step of the process is monitored and issues are managed and handled with speed, tact and is result oriented.**
- **We pride ourselves on our ability to source any number of candidates of any category in the shortest time possible.**

Our Client Sends us their confirmed Manpower Requirement with related Job Descriptions, Salary Structure & Employment Terms along with the Demand Letter, Power of Attorney, Copy of Employment Contract

REQUIREMENT

SOURCING

After receiving the Demand Letter, Power of Attorney & Copy of Employment Contract we can officially, advertise, interview and shortlist candidates according to client's requirements

Selections are done by face-to-face interviews by the client, CV selections and by Video and telephonic Interviews. We ensure that these events are managed efficiently.

SELECTION

DEPLOYMENT

Once the candidate successfully completes the requirements for visa issue, we ensure that the candidate's travel arrangements to the country of employment is facilitated smoothly & intime.

POST SELECTION PROCESSING

- Depending on the country of Employment, processing of documents are as follows:
- Candidate must have a valid passport
- Candidate must be medically fit and confirmed by medical reports
- Documents required by the country issuing the visa such as Police Clearance Certificate (PCC), Attested Educational and Professional Certificates, Clearance/Exit clearances from previous employment in the relevant countries are to be sighted and checked for correctness.
- Liaise with the relevant companies to ensure that visas are issued as soon as possible subsequent to the correct documents being sent.
- Ensure that Indian Government procedures and policies are followed as far as Emigration is concerned for example E-Migrate registration and document uploading.
